

A request to submit documents by post

Foreign language versions →

A square box containing the letters "QR" in a bold, sans-serif font, indicating a QR code that likely links to the document submission instructions.

Even with COVID-19 reclassified as a Class 5 disease, we ask for your cooperation in submitting this year's *Genkyou-todoke* (Current Situation Notification) by post.

- Please confirm you have completed all necessary sections and included all required documents before submitting your notification.
- We ask that you please prepare your own envelope, stamp(s), and anything else you need to send the notification by post.
- We may give you a call if the notification is incomplete and/or required documents are missing. Please understand that delays in confirming information may lead to delays in *jidou teate* (child allowance) payments, etc.

○ You may cut out the address below and paste it to your envelope
