

2026 Cervical Cancer Screening Guidance

Period : May 7, 2026~January 31, 2027

Reservations fill up quickly from December onwards. Make appointments early.

1. Check your cervical cancer screening

Please be sure to fill out your phone number and the medical questionnaire on the back before your visit. (No need to fill out in case of group medical examination)

2. Select a location

Receive at a medical institution

- Contact participating medical facilities in Toyohashi about whether you need an appointment or not.
- The result of your medical examination will be communicated to you by the medical institution where you were examined. (The city will not send you the results by mail)
