12 to 23
months old

Mumps Vaccine Financial Assistance

Toyohashi City partially subsidizes
vaccinations against mumps.

2,000 yen financial assistance

Location

Participating medical institutions
in Toyohashi

(For information about medical institutions,
please check the back of this paper.)

How to
receive a
vaccination

1. Please make a reservation at the medical institution prior to going to be vaccinated.
2. Please bring Maternal and Child Health Handbook (*Boshi kenko techo*) and a proof of residency in Toyohashi (Child Medical Beneficiary Card [*Kodomo Iryohi jukyusha-sho*], etc.)
3. Please pay for the discounted vaccination fee at the reception counter of the medical institution that your child receives their vaccination at.

- * Children who are registered as Toyohashi residents on the vaccination day and who fall into the age brackets below are eligible.
- * Mumps vaccinations for children who have had mumps in the past is ineligible for financial assistance.
- * Toyohashi City does not issue questionnaires (*yoshin-hyo*). Please use them at the medical institution.
- * Make sure to consult with a doctor before having your child receive the mumps vaccination.

Starting from April 1st, 2020, financial assistance
for the mumps vaccine will be offered for children
who are not yet enrolled in elementary school!
