Toyohashi "Cheer!" Project A Message to Health Workers in Toyohashi ~Soccer Athlete. Genta Miura~

Hello everyone, my name is Genta Miura. I play for Gamba Osaka.

I would like to thank all of the dedicated health care workers working hard through this difficult period, especially now with COVID-19 cases increasing.

I hope that through soccer I can help to keep everyone's spirits high, so I will continue to practice good COVID-19 prevention measures while doing my best to show you all amazing soccer!

Wishing for everyone's health and safety
